The Vertere String Quartet was formed in 2003 through the human and professional encounter of four musicians with diverse backgrounds and collaborations with prestigious orchestras and renowned artists.

“VERTERE”: to change, to take on new forms – this is the quartet’s philosophy. It is about being chameleon-like, shaping the sound, giving it breath, life...

The VSQ has performed at over 50 prestigious festivals in Italy and abroad, including: Umbria Jazz 2011, MiTo Settembre Musica Milan, Jazz at Bran Castle (ROMANIA), Villa Celimontana, Atina Jazz, Dolomiti Sky Jazz, Barga Jazz, Antiphonae Jazz, Cantine Bentivoglio Jazz, Locomotive Jazz Festival, Pomigliano Jazz, Alberobello Jazz Festival, Gezziamoci Onyx Jazz Club, Pinocchio Jazz Club, etc.

In 2019, the VSQ, together with Daniele Di Bonaventura, performed at the “Concerti del Quirinale di Radio 3” live from the Cappella Paolina of the Quirinale Palace in Rome.

In 2012, several tracks by the VSQ were included in the anthology CD of bandoneonist Daniele Di Bonaventura, “Hace 20 Anos”, attached to the Musica Jazz magazine, and a track from their CD “Vera Cruz” was included in the 2012 Puglia Sound Compilation.

Individually, the quartet members have recorded over 20 solo albums in various ensembles, performed live for television broadcasts on RAI and MEDIASET, and collaborated as sidemen for renowned recording studios.
